3-day tour in Skopje and Ohrid

Ohrid - city of unforgettable memories

First day: Arriving in Skopje, transport from the airport Alexander the Great to City Park Hotel 4*. Overnight.

Second day: Breakfast. After breakfast, organized transport to Ohrid with short breaks. After arriving, tour of the town square, old town, visit to Ohrid museum, and the house (museum) of Robevci family, then sightseeing of the church of St. Sophia from 19th century, then the amphitheater and the Samuel fortress which has huge historical significance. The church Plaosnik with mosaics dating from the 4th century, and then the church St. John Kaneo. Despite the beauty of the church, visitors say that this is one of the most beautiful places in Ohrid for taking photos. Optional visit to church St. Naum by a boat tour. (Optional). As a great souvenir and beautiful memory, we recommend you to buy the famous Ohrid Pearl. Back to hotel.

Third day: Breakfast. After breakfast, organized transportation to the mountain Vodno. Vodno, mountain, which is right in front of your eyes, standing magically on 1067m, in the foggy days it's mystical, in spring full with flowers and trees, in autumn its color is magical yellow and during the winter the trees have so much snow it feels like the North Pole. At Vodno there are so many spices of orchid and mushrooms... the trip continues with the cable car which attends Millennium Cross, who has panoramic view of the city of Skopje. Free time for coffee / tea. Return by cable car and visit to the church of Sv. Pantelejmon.

(Monastery complex fenced with tall walls, inside are the church and the monastery inns. On the walls of this cultural monument are saved the wall painting which are counted a one of the top achievements of Byzantine art of the Komini dynasty).

The trip continues to the Canyon Matka, region that is home of many temples, eased churches and monastires, the secred source of water and many caves and all of that surrounded with beautiful landscape. Short visit to the church St. Andrea, and then facultative visit of the cave Vrelo (by boat).

Underwater cave Vrelo Is situated in the canyon Matka on the right site of the Treska River, near Skopje. The cave is system of two caves, one above (called Vrelo) and another one under the water (called Podvrelo) and lake. The ceiling is real "rain" of stalagmites and the columns are not less surprising. The "column twins "with their high from 6 meters are overwhelming. Lunch in the restaurant under the Canyon (not obligatory). Back to the hotel. Transfer to airport Alexander the Great.
