

Tour packages

3-day tour in Skopje and Pristina

3 days, 3 major cities

First day: Arriving in Skopje, transport from the airport Alexander the Great to City Park Hotel 4*. Overnight.

Second day: Breakfast. After breakfast, organized transfer to Prizren, with short breaks for rest and customs formalities. Arriving in Prizren and overview of important cultural landmarks such as Sinan Pasha Mosque, Hammam Mehmet Pasha, one of the biggest hammams in the Balkans, Kalaja fortress which has magic panoramic view of the whole city. Sightseeing of the downtown area. Continue to Pristina with organized tour of the monument Mother Teresa, Fatih Mosque, the Skanderbeg monument which have big cultural importance for Albanians, the clock tower and monument "New born". Back to hotel. Lunch and breaks. (Optional).

Optional dinner in a traditional Macedonian restaurant. Disco visit (optional) with reservation and free admission. Overnight.

Third day: Breakfast. After breakfast, organized transportation to the Vodno Mountain visit of the Millennium Cross by cable car, that offers panoramic view of the city. Free time for coffee / tea then return by cable car and head to the church of St. Panteleimon.

(Monastery complex fenced with tall walls, inside are the church and the monastery inns. On the walls of this cultural monument are saved the wall painting which are counted a one of the top achievements of Byzantine art of the Komini dynasty).

The trip continues to the Canyon Matka, region that is home of many temples, eased churches and monastires, the sacred source of water and many caves and all of that surrounded with beautiful landscape. Short visit to the church St. Andrea, and then facultative visit of the cave Vrelo (by boat).

Underwater cave Vrelo is situated in the canyon Matka on the right side of the Treska River, near Skopje. The cave is system of two caves, one above (called Vrelo) and another one under the water (called Podvrelo) and lake. The ceiling is real "rain" of stalagmites and the columns are not less surprising. The "column twins" with their high from 6 meters are overwhelming.

Lunch in the restaurant under the Canyon. Back to hotel. Transfer to airport Alexander the Great.
